Overview

Gaurav is the Managing Partner of TAG Group and the driving force behind its tax, cross-border and CFO practice. Over 14+ years he has moved from Big Four advisory into senior in-house leadership — heading tax for the APAC region and finance for South-East Asia at European infrastructure and energy multinationals — before founding TAG Group's integrated advisory platform. He is a trusted counsel to founders, CFOs and boards on cross-border investment, M&A, finance transformation and high-stakes tax controversy, and serves as an Independent Director. He has supported ~US\$102M of sovereign-wealth-fund equity, recovered ~US\$10.7M in tax refunds, and built governance frameworks across 30+ entities while leading teams of 20+.
