

SERVICE PORTFOLIO · TRANSACTION ADVISORY

Deals, Valuation & Transaction Support

M&A, due diligence, valuation and transaction support across the deal lifecycle — without regulated capital-market intermediation.

Service proposition

Transactions succeed or fail on preparation and discipline. TAG supports buy-side and sell-side transactions with structuring, diligence, valuation and project management — bringing tax, finance and legal-coordination expertise to the table so decisions are made on clear information.

When you need us — and who it's for

Business situations that trigger the need

- You are acquiring, divesting or merging a business
- A transaction needs financial and tax due diligence
- An equity, ESOP or complex-security valuation is required
- A restructuring or JV needs structuring and documentation
- You are preparing finance and processes for an IPO
- A deal needs data-room and project management discipline

Who this service is for

- Acquirers, sellers and merging parties
- Founders and promoters in a transaction
- Investee companies preparing for diligence
- Boards evaluating restructuring or JV options

Detailed scope of assistance

Transaction advisory

- M&A strategy and transaction advisory
- Transaction structuring and restructuring
- Buy-side and sell-side transaction support
- Deal negotiation support
- Transaction documentation review

Valuation

- Business and equity valuation
- Intangible and complex-security valuation
- Financial modelling and scenario analysis
- ESOP structuring and valuation

Diligence

- Financial and tax due diligence
- Legal and secretarial due diligence coordination
- Data-room and transaction-project management

Structuring & integration

- Corporate restructuring
- Joint ventures and shareholder arrangements
- Post-deal integration
- IPO readiness and finance-process preparedness

Engagement approach

01

Prepare

Define objectives, structure and the information needed to transact.

02

Diligence & value

Run diligence and valuation to surface risks and support pricing.

03

Execute

Support negotiation, documentation review and closing discipline.

04

Integrate

Support post-deal finance integration and value capture.

Typical deliverables

- Due diligence reports (financial & tax)
- Valuation reports and models
- Deal structuring notes
- Data-room and transaction management
- Restructuring and JV documentation support
- IPO-readiness assessments

Selected experience & credentials

Valuation is led by a CFA, FRM and Registered Valuer with 15+ years across business, intangible and complex-security valuation for global clients. Transaction experience spans 6+ acquisitions, 4+ divestitures and 3+ mergers, and support for QIP, bond issuance and acquisition due diligence.
