

SERVICE PORTFOLIO · PEOPLE & ORGANISATION

Human Capital & HR Advisory

HR strategy, talent acquisition, learning and HR operations — building measurable people systems that scale.

Service proposition

People decisions determine whether a business can execute. TAG's HR advisory covers the full employee lifecycle — from organisation design and recruitment to learning, performance and HR operations — with a focus on measurable systems and disciplined delivery.

When you need us — and who it's for

Business situations that trigger the need

- You are building or scaling a team and need recruitment capacity
- HR policies, operations or payroll governance need structure
- A learning and capability programme needs designing
- Performance management needs a credible framework
- An acquisition requires HR due diligence and integration
- You need HR analytics and dashboards for leadership review

Who this service is for

- Founders and leaders building teams
- Businesses formalising the HR function
- Groups integrating people post-acquisition
- Organisations investing in capability and performance
