Tax & Cross-Border Advisory

Corporate, international and indirect tax advice that keeps growing and cross-border businesses compliant, efficient and defensible.

Service proposition

Tax is where strategy meets regulation. TAG combines corporate tax, international tax, treaty positioning and indirect tax under one team so that structuring decisions, transaction outcomes and day-to-day compliance all pull in the same direction. Our partners bring Big Four training and in-house tax leadership across India and APAC.

When you need us — and who it's for
