PARTNER

K. Vishnu Sharma

Audit, Assurance & Finance Transformation · Gurugram, India

Overview

K. Vishnu Sharma is a Partner at TAG Group leading assurance support and finance transformation. He brings senior controllership experience from large listed and multinational organisations — including leading British companies and Fortune 100 global technology groups — spanning financial reporting, close governance, audit coordination, ICFR/SOX programmes, ERP implementation and accounting operations. His advisory relevance is strongest where clients need CFO-level oversight, disciplined reporting, audit readiness and practical process improvement.
