

LEGAL & REGULATORY

Corporate, Legal, FEMA & Regulatory

Corporate structuring, secretarial coordination, FEMA and cross-border regulatory advice, supported by a specialist legal network.

Overview

Corporate and cross-border activity generates a steady stream of legal and regulatory obligations. TAG coordinates entity structuring, governance, FEMA and RBI matters and commercial documentation — combining accounting, tax and legal analysis, with dispute and insolvency support through dual-qualified professionals.

Scope of assistance

Corporate & secretarial

- Corporate and entity structuring
- Company and LLP incorporation
- Companies Act and LLP compliance
- Board and shareholder governance
- Corporate reorganisations, mergers and demergers
- Secretarial compliance coordination

Commercial & disputes

- Commercial agreements and documentation
- Legal and regulatory due diligence
- Commercial dispute support
- Insolvency and restructuring support

FEMA & exchange control

- FEMA advisory
- Foreign Direct Investment (FDI)
- Overseas Investment and ODI
- External Commercial Borrowings (ECB)
- Branch, liaison and project offices
- Cross-border payment and repatriation advisory

Regulatory

- RBI filings and regulatory reporting
- FEMA health checks
- Regularisation and compounding
- RBI and Enforcement Directorate representation support

Typical deliverables

- Entity and structuring advice
- Secretarial and Companies Act compliance
- FDI/ODI/ECB structuring and filings
- FEMA health-check reports
- Commercial agreements and reviews
- Regulatory representation support

Experience

Legal and regulatory work is supported by dual-qualified professionals (CA + LL.B.) with High Court and Supreme Court exposure, and a specialist legal network covering commercial disputes, insolvency, FEMA and white-collar matters.
