

PEOPLE & ORGANISATION

Human Capital & HR Advisory

HR strategy, talent acquisition, learning and HR operations — building measurable people systems that scale.

Overview

People decisions determine whether a business can execute. TAG's HR advisory covers the full employee lifecycle — from organisation design and recruitment to learning, performance and HR operations — with a focus on measurable systems and disciplined delivery.

Scope of assistance

Strategy & design

- HR strategy and operating model
- Organisation design
- Workforce planning
- Change-management support

Talent acquisition

- Talent acquisition and recruitment
- Recruitment-process outsourcing
